

Citizen Participation Organization 9 – Hillsboro/Orengo
General Meeting Minutes for Monday, **June 8, 2009**
Washington County Public Services Building
Attendance: (see sign in sheet)

7:00pm Welcome, Introductions and agenda review. Shaun Starr opened the meeting.

7:15pm Utilities Bills and Fees.

Tacy Steele from the City of Hillsboro Water Department reviewed recent changes to the City of Hillsboro water bill that would be mailed soon to city of Hillsboro residents. See rate sheet and FAQ handouts. She explained the System Development charges (SDC) and how these charges are designed to shift the burden of costs for growth to utility rates. She also announced that a Future Funding Panel will be formed.

Jeanna Hall from Clean Water Services described how the wastewater and stormwater systems work in Washington County and, presented a video regarding the water supply in Washington County (video available for viewing at www.cleanwaterservices.org) and distributed the Tualatin Basin Waster Supply Project brochure. She mentioned that public tours of the Rock Creek wastewater treatment facility will occur in July.

Tina Bailey from City of Hillsboro Engineering Department explained the Transportation Utility Fee (TUF) and distributed the TUF rate schedule approved by Hillsboro City Council Spring 2009. The TUF is designed to supplement gas tax dollars used for road maintenance.

9:00pm Election for Steering Committee Members.

Shaun Starr announced the members of the CPO could volunteer to be on the Steering Committee. Committee members would be elected during the next meeting.
